

Kent Timm PhD DPT ATC is the newest member to Great Lakes Pain Consultants at our Bay City location.

Kent has a PhD in Exercise Science, with a concentration in Muscle Physiology, from Columbia University, and is a Doctor of Physical Therapy (DPT), with concentrations in Manual Therapy and in Medical Exercise Therapy. He is Board Certified as an Orthopedic Clinical Specialist (OCS) and as a Sports Clinical Specialist (SCS) through the American Board of Physical Therapy Specialties (ABPTS). He is also Board Certified as an Athletic Trainer (ATC) through the National Athletic Trainers Association Board of Certification (NATA-BOC). In addition, Kent is a Fellow of the American College of Sports Medicine (FACSM) and a Certified Strength and Conditioning Specialist (CSCS).

Kent served on the United States Olympic Committee (USOC) Medical Staff for the 1996 Olympic Summer Games in Atlanta, Georgia and for the 2000 Olympic Summer Games in Sydney, Australia. He is currently a member of the Sports Medicine Division for the United States Soccer Federation (USSF), and has experience with both the Men's and Women's National and World Cup Teams.

Kent's previous roles include Assistant Athletic Trainer for the Pittsburgh Steelers of the National Football League (NFL), Team Physical Therapist for the Pittsburgh Penguins of the National Hockey League (NHL), and Faculty at the University of Michigan. He has authored over 200 peer-reviewed articles published in scientific journals and professional research presentations in the United States, Asia, Canada, Europe, Mexico, South America on the aspects of musculoskeletal problems, functional testing, sacroiliac joint dysfunction, spinal rehabilitation, and sports injuries.
